

# 2017 Santa Shop

*Monday, December 4 – Wednesday, December 6*

Dear HFGS Parents and Guardians,

It is nearing that magical time of the year! Time to share that Christmas joy with family and friends. During the season of giving, we host our annual Santa Shop with toys, seasonal items, and other fun gifts to brighten the children's spirits.

For those who are not familiar with this event, every year the HFGS Science Lab (located on the top floor of the new building) is transformed into a small storefront where our kids can shop for family and friends. The Santa Shop gives young ones a chance to experience the joys of gift giving. Children are given the opportunity to shop on their own under the guidance of parent volunteers. The Santa Shop benefits the school and also helps teach children the true meaning of Christmas and the joy of giving.

Attached to this memo you will find a shopping catalogue with prices of items that are available for purchase at this event. Please check items that you and your child want to purchase under the "order" column and have your child bring the catalogue and money to purchase the items to school during the 3 days of Santa Shop. Some items are limited and are first come first serve.

Parents are also welcome to shop on Tuesday December 5<sup>th</sup> from 12 p.m. – 1:00 p.m. and Wednesday, December 6<sup>th</sup> from 3:00 p.m. – 4:30 p.m.

We are looking forward to this event and hope that this will be an enjoyable experience for all. Thank you for your support and we wish you a joyful Christmas and a year of happiness with God's abundant graces and blessings.

Sincerely,  
Santa's Helpers from Your PTO Board
