

**Dear HFGS Families, PTO Board, Members of the Clergy,
Ministry Leaders, Faculty, and Staff,**

We are grateful for your presence, attentiveness, patience, and commitment this evening. We send the same amount of appreciation to everyone who put together our Back-to-School Night event. We ended a little bit past 9:00 p.m. and everyone was out by 9:15 p.m. Thank you for completing the sessions!

We hope that you were able to take down notes and ask questions after each teacher's curriculum presentation. We shall all see you tomorrow morning and on Sunday's Mass on the Grass.

Please see the attached MOTG flyer so you can RSVP.

The school is completing the administration of all grade levels' STAR Tests and we are excited to find out where the children are in terms of their academic progress.

It is from these aggregated and analyzed test scores where we hope to tailor specific and meaningful classroom instruction and teaching strategies. We will send the assessment results sometime next week and will communicate further on the appropriate steps that we, as educational partners, may take.

Grateful,
Dr. Suelto
