Why are we the Best Private School, Best Music School, and Best Clergy in Glendale, CA? – By Ms. Katy Huntley

Ring a Ding Ding!

Holy Family Grade School, voted Glendale’s Best Music School in 2017 and 2018, is “where aspiration begins and thrives.” HFGS commits to each child’s academic success—and not just in readin,’ writin,’ and arithmetic. Beyond the books lie opportunities for students to showcase their talents!

Holy Family Grade School's Concert Chorus, a member of the American Federation Pueri Cantores and directed by Mr. Tom Makiling, is comprised of students from 4th through 8th grade and alumni. The Concert Chorus aims to enhance the lives of young singers through a musical experience that is conducted within a nurturing environment.

Parish Music Director, Mr. Adan Fernandez, directs The Cherubim Choir open to all first and second graders, and The Archangel Choir—open to 3rd grade and up. The choirs study choral music through the Kodaly method. They gain reading skills, develop musicianship skills, and are exposed to music from various cultures and languages to perform at the highest level possible for the purpose of contributing to the liturgy of the church.

The HFGS Band, under the direction of Mrs. Cheryl Lopez, provides a creative outlet for students playing musical instruments. The program endeavors to define a sense of self and accomplishment, and offers an opportunity for the students to meet and learn from new friends outside of their grade level.

Guitar class at HFGS, taught by Mr. Randy Garcia, is a class designed to help students achieve results. In this class students learn everything a guitarist needs to know in order to develop a strong foundation. The guitarists start with simple songs, and then gradually level up.

All four fabulous music programs put on show stopping performances for the Holy Family Grade School annual Christmas and Spring Concerts!

A Prayer Meditation for this Week:

Faith is the key that unlocks God's power in our lives.

Faith in God is the key for removing obstacles and difficulties which keep us from doing his will. We belong to God and our lives are no longer our own. Our joy and privilege is to follow the Lord Jesus and to serve in the power of his love, truth, and goodness. The Lord Jesus is ever ready to work in and through us for his glory. For our faith to be effective it must be linked with trust and with obedience - an active submission to God and a willingness to do whatever he commands. Do you trust in the grace and strength which God freely gives to help you resist temptation and to overcome obstacles in doing his will?

"Lord Jesus, you give us victory over the destructive forces of sin and harmful desires that keep us from doing your will. Give me the strength to always choose what is good and to reject what is wrong. May your love and truth rule my heart that I may give good example to others and guide those who need your wise instruction and help."

Thank you, God bless, and Happy Veteran's Day!
