

Important for This Week of January 7th, 2019 / Happy Feast of the Epiphany!

Dear **HFGS Families, Faculty, Staff, Students, and Friends,**

Happy Feast of the Epiphany!

The Roman Catholic churches emphasize the visit of the Magi when they celebrate the Epiphany. This is when the Three Wise Men paid honor while visiting Christ through the guidance of a star. Some churches would focus on Jesus' baptism. Epiphany is one of the oldest Christian feasts. God does reveal himself. God does manifest his love to us. God's epiphany occurs for us in our hearts, our souls and our lives.

Assessments of student performance on various tasks during the second quarter have been recorded by our faculty and we request that our parents visit Gradelink to look at these grades before the completion of the second quarter. The grades provided by our faculty should total a hundred percent at the end of the quarter. Please see how your child has performed per subject and the weight distribution allotted to your child's various tasks. Where there is a need for improvement per skill / lesson / subject will be a good topic of conversation with parents, students, and their respective teachers as well as continuously addressing student needs. There are a few more weeks prior to the conclusion of another academic quarter. Let's continue to see how each child is keeping his / her good grades consistently or working on particular areas for growth.

For this week, we shall have:

- * **Monday Recycling**
- * **School Mass**
- * **Faculty and PTO Board Meeting**
- * **Mock Interviews for 8th Grade**
- * **World's Finest Chocolate Fundraisers**

We would like to invite you to register to the 5th Annual **WALK for LIFE** from La Placita Olvera to LA Historic Park on January 19, 2019!

Why OneLife LA?

1. OneLife LA is a walk for life in downtown LA for all of Southern California.
2. We celebrate the beauty and dignity of every human life from conception to natural death.
3. OneLife ends with a festival, live music, food trucks, and inspiring speaker testimonies.
4. Through the archdiocese's Community Partners, OneLife acts as a catalyst for change and service in our neighborhoods.
