

Important for this Weekend of April 5th, 2019 - Flu, Cheer, Dads & Donuts, PTO General Assembly, Field Trips, and The King & I.

Dear **HFGS Families, Faculty, Staff, Students, and Friends,**

The King and I

Congratulations to the members of the cast, coaches, and families of *The King and I*. Both matinee and evening performances were a celebration of our kids' love of music and stage acting. We are blessed to have amazing families who are supportive of this program. Thank you!

Gradelink

We finally ended the 3rd academic quarter. While our faculty are concluding the students' Report Card grades and comments, our parents are locked out of Gradelink tentatively.

Flu Prevention

There was a number of sick students today and the past few days. We have disinfected our classrooms and offices to make sure that our school environment is free from the spread of germs. First, I highly recommend for all students to rest these next two or three days and feel much better. Second, please thoroughly wash all their uniforms and sweaters for any germs these may carry. Third, please read the attached informational material entitled: **Take 3 Actions to Fight the Flu!** We expect a better school attendance next week and our children to be well, strong, and healthy!

Field Trip

There is no reimbursement of field trip money when a child is absent on the day of the field trip. The office purchases group admission tickets and transportation services way ahead of time.

Cheer and Hip-Hop Team Competition

SHARP International Cheer Competition will hold its next competition at Magic Mountain. All Cheer and Hip-Hop team competitions may begin at 11:00 a.m. and please double check any communication that were sent earlier by Mrs. Nelson. Awarding will be around 5:00 p.m. and if HFGS teams finish earlier than expected, you may excuse yourself from your coaches to enjoy the park, then come back for the awarding.

Dads and Donuts, Monday, April 8, 2019 7:30 a.m. - 8:15 a.m.

Grandparents Day was a success! Next will be a celebration of our school dads. Let us get our Monday morning energized and all our faculty and students will partake of the donuts with you, Dads! It will be a wonderful day for DADS only!

PTO General Assembly, Wednesday, April 10, 2019 7:00 p.m.

Next Wednesday is our last parent assembly for this school year. A special program is being prepared by our PTO Board, Middle School Faculty, and office personnel. We will present to you our Class of 2019 families. It may be your lucky night as well since we have wonderful raffle prizes for the evening.

Thank you and God bless.

- Dr. Suelto
