

Important for the Week of June 24th, 2019

Dear **HFGS Families, Faculty, Staff, Students, and Friends,**

Today's Mass was on the solemnity of Corpus Christi which brings an end to the Easter season on the Catholic liturgical calendar. Fr. Jim mentioned in his Homily that the Eucharist is an example where we can all do great things and become selfless. He shared that we find God contained in the host (bread) and his precious blood (wine). The Eucharist we receive allows us to see things as God does because as we receive to partake the bread and drink the wine, we do proclaim that we believe. Indeed, our Lord Jesus has nourished and has sustained us with his very own presence and life. Jesus is the "Bread of Life" and the "Cup of Salvation."

Tomorrow begins our Summer School. We have options on the number of weeks your child could come and study from four to six weeks of the regular Summer School program, After School Care, and Camp. ALA, Academic League and Ambassadors training will be for four weeks only. Mrs. Ruta and Mrs. Thomas will facilitate the afternoon training. ALA is by invitation only.

Please read the attached newsletter and safety letter for parents for details.

Mrs. Teresa Nelson, Summer School Coordinator, will respond to any inquiries related to the program. Please take note that Mrs. Nelson, Mrs. Talavera, Deacon Ron, and I carefully planned for a smooth Summer School utilization of all the classrooms of the original building and other facilities that may be very beneficial to make things efficient and productive.
