Learning while having fun in our Summer School program at Holy Family Grade School!

Our students are enjoying the morning academic programs and the fun programs from 12:00 noon and up. HFGS is so glad to have returned to in-person instruction as early as March 15th

and thus, has been able to generate a good number of students for both morning and afternoon Summer School sessions. The goal is to enhance our learners' skills in language arts or mathematics in a summer academic program that just started this week. There is a choice for every family to choose from four, five, or six weeks.

The students who are learning in person have the benefit of experiencing some structured social interaction, normalcy in a physical school environment, and authentic play. All grade level students registered in Summer School have pursued to reconnect with their friends and get acclimated to being back in campus. Thanks to Mrs. Teresa Nelson and her team of summer teachers for making this first week a success!

A Guide to Care Our Yearbook:

A yearbook allows any reader to enjoy and go back to the memories this current year has captured. These are significant events you may want to read again when it is visited years later.

Our yearbook is a publication that reflects the events and lives of people involved with a school during that given year. Our yearbook fulfills some standard roles: it is a memory book, a history book, a record book, and/or a reference book.

A few great suggestions to keep and respect a school yearbook:

- Have classmates and friends autograph on the Autograph Page.
- Make sure to use kind and respectful messages, if writing a dedication.
- Leave no markings on the pictures or on any of the articles written.
- Keep all the pages together. Handle the book with care.
- Revisit your Yearbook from time to time like 10, 20, 30, 50 years after you have received it.

Thanks to Mr. Krikor Kiladjian, our yearbook core committee, parents, and everyone's participation toward the completion of our yearbook. ENJOY reading our [2021 YEARBOOK](#).

A prayer meditation to begin the week...

Take, O Lord, and receive my entire liberty, my memory, my understanding, and my whole will. All that I am and all that I possess you have given me. I surrender it all to you to be disposed of according to your will. Give me only your love and your grace - with these I will be rich enough and will desire nothing more. (Prayer of Ignatius Loyola, 1491-1556)

Psalm 50:1-5, 23

1 The Mighty One, God the LORD, speaks and summons the earth from the rising of the sun to its setting.

2 Out of Zion, the perfection of beauty, God shines forth.

3 Our God comes, he does not keep silence, before him is a devouring fire, round about him a mighty tempest.

4 He calls to the heavens above and to the earth, that he may judge his people:

5 "Gather to me my faithful ones, who made a covenant with me by sacrifice!"

23 He who brings thanksgiving as his sacrifice honors me; to him who orders his way aright I will show the salvation of God!"

Thank you and please continue to enjoy your summer!
