

iPad Acceptable Policy

2021 – 2022

To ensure the learning and safety of all our students, Holy Family Grade School students and parents agree to both read and follow these guidelines:

1. iPads are for educational use. Students who play games, text, or access any social networks during class time will have their iPads held by the teacher until the student's parent or guardian sets up a meeting to discuss the incident.
2. iPads must be turned OFF at the beginning of the school day and will be turned on only when asked by the teacher. This will help with Internet issues.
3. All iPad wallpaper and backgrounds must be school-appropriate.
4. Watching videos online is disruptive to both learning and our wireless networks. Videos online make the Internet slow for everyone else streaming videos from the Internet or the You Tube app during school hours is prohibited.
5. Students are allowed to install games on the iPads. However, these games should not be on the first few home screens nor should they be played during school hours.
6. To ensure the safety of your iPad, students are not allowed to take their iPads out to morning or lunch recess.
7. Students are responsible for updating their apps and the iPad software on a regular basis. Backups should be made on their laptop or desktop computer once or twice a month. Backups can also be done to the iCloud on higher versions.
8. Students are responsible for writing down their iPad's lock-screen password. Teachers cannot reset this password.
9. Students are allowed music on their iPads. However, music can only be listened to with a teacher's permission. No streaming of music is allowed at school. Files must be in iTunes.
10. When walking to or from school, be safe and smart! Don't show or use your iPad. You don't want to be at risk of being robbed or mugged.
11. The agreement on C3 Ignite iPad Grant will be respected.
