Feast Day of St. Francis Assisi – Blessing of the Animals

TK and Kindergarten Religion (Zoom class). Our students, in preparation for the Blessing of the Animals, (Feast day of St. Francis) shared their pets with the class!

In 2nd Grade we are learning about the Design Process. In groups, each student was given a “job” in creating their parachute. The objective of the experiment was to use classroom supplies to create a parachute that will keep the cotton balls safe as they are dropped from the second story. After completing the experiment, students wrote a conclusion on what worked and what they would improve on.

A Mystery Reader in 1st Grade

1st Grade

We have started our Mystery Reader program in 1st grade! On Friday, a family member of one of our 1st graders volunteers to read them a story on Zoom. Our 1st graders have a great time trying to guess who the Mystery Reader is and they really enjoyed listening to our first Mystery Reader!

Psalm 98:1-4

1 O sing to the LORD a new song, for he has done marvelous things! His right hand and his holy arm have gotten him victory.

2 The LORD has made known his victory, he has revealed his vindication in the sight of the nations.

3 He has remembered his steadfast love and faithfulness to the house of Israel. All the ends of the earth have seen the victory of our God.

4 Make a joyful noise to the LORD, all the earth; break forth into joyous song and sing praises!
