

HFGS Best Academic & Sports Goals for 2021 – 2022

Holy Family Grade School Bulldog Cheer Teams are SHARP International Cheer Champions once again.

On Saturday, March 26th, Holy Family Grade School competed in the SHARP International Cheer and Dance Competition held at Sierra Vista High School, Baldwin Park. The six Cheer and Hip Hop teams consisting of 61 students from Kindergarten through Eighth grade, competed in team performance, individual stunts, tumbling, toe touch, kicks and leaps, along with individual ballet and hip hop competitions.

Each team received a first place trophy, and the school, a SHARP Championship banner. Eleven trophies and many medals were awarded to Holy Family Grade School for outstanding performances in this competition. This is the school's twenty-second year competing in cheer and its twentieth championship title. Great job, Athletic Director Teresa Nelson, Coaches Alexandra Isaac, Riley Miguel, Jared Soliman, and our ever-supportive HFGS Cheer and Dance families!

CONGRATULATIONS, HFGS Champions!

Academic Excellence at HFGS

Main Coach Ofelia Ruta has reported that the ALA, Academic League and Ambassadors program awarding of HFGS held on Monday, March 28th was an occasion of pride and joy celebrating the academic achievements of selected 5th through 8th grade ALA! Coach Ruta adds that HFGS believes that a good solid education plays a vital role in building a bright future for Holy Family Grade School's young adolescents' life academically, spiritually, and socially. Therefore, HFGS continues to be committed to offering a well-balanced atmosphere providing for a child's academic, physical, moral, and spiritual development. The significant undertakings in HFGS – Academic League are absolutely powered by both home and school collaboration. The pastoral leadership of Fr. Jim Bevacqua, Dr. Suelto, Vice-Principals, faculty, and parents support the on-going mission of nurturing the school's faith and its pursuit of academic excellence.

Assistant Coach Jared Soliman shared that in the last 5 months, HFGS - ALA (Academic League and Ambassadors) team met in person for at least three hours each week. Students were given different tasks in every session, such as reviewing for International Academic Contests and Catholic Math League exams, designing reflective art pieces from the Social Science readings and researches, and completing questions on IXL. In math specifically, students were given four assessments well above grade level to challenge their academic abilities. This after-school program tested against other schools from various states nationwide. In addition to in-person sessions, students were given tasks to complete asynchronously to promote their independent learning through IXL, answering over 122,762 questions in total!

ALA teachers/moderators Mr. Soliman and Mrs. Ruta along with Dr. Suelto and 8th grade teacher Mrs. Liberda
