12:30 p.m. - 1:30 p.m. - 6th, 7th, and 8th Grade Spelling Bee

We hope to see you there!

Algebra 1 News Update from Mr. John Roxas, Middle School Math Coordinator

The advanced Algebra I course is an additional math class offered to 8th grade students that are eligible. The goal of this course is to prepare our students for the next step in their academic journey: high school. Everyday at 7:00AM to 7:40AM, students are introduced to and study high school level mathematics. So far, students have already learned how to isolate variables, convert units, how to use significant figures, make proportions, and interpret real world situations with equations and inequalities. By the end of the year, our students will have honed their mathematical skill to the point where they are potentially able to advance into Sophomore level mathematics in their Freshman year.

Sports Update from our Athletic Director Mrs. Teresa Nelson

The HFGS Girls' Varsity Volleyball team is having an impressive start to their season. With two wins and one loss, the team consisting of fourteen eighth and seventh graders, is showing great skill and tenacity of a Bulldog this season. They will be looking for the win this Tuesday, October 11th against the St. Dominic Eagles. Let's Go Bulldogs!

Our Girls' "B" Volleyball team is hard at work preparing for their first game on October 17th where they will face the Holy Trinity Huskies. The HFGS "B" Team contains twenty-four 4th, 5th, and 6th graders who are excited to learn the game, build friendships and show their Bulldog spirit.

Our school is open tomorrow, Monday, October 10th.

historical perspective and experience of what used to be Columbus Day will be a great resource to understanding why October 10th is not a public legal holiday in some states. The United States supports the United Nations Declaration on the Rights of the indigenous peoples.

Lord Jesus, give me a heart that loves what is good and in accord with your will and fill me with your wisdom that I may understand your ways. Give me the grace and the courage to reject whatever is evil and contrary to your will.

Psalm 98:1-4

1 O sing to the LORD a new song, for he has done marvelous things! His right hand and his holy arm have gotten him victory.

2 The LORD has made known his victory, he has revealed his vindication in the sight of the nations.

3 He has remembered his steadfast love and faithfulness to the house of Israel. All the ends of the earth have seen the victory of our God.

4 Make a joyful noise to the LORD, all the earth; break forth into joyous song and sing praises!

Giving thanks to our Lord Jesus and to all of you,
Dr. Suelto
