

A Day of TK - 7th Grade Recognition and Awarding

Dear **HFGS Families, Faculty, and Staff,**

We thank you for a successful recognition program we had this morning in the presence of our beloved parents, faculty, and children. Today's recognition and awarding was an opportunity to showcase student accomplishments for this entire school year.

We have seen how your child succeeded through their natural ability, motivation, program resources, and learning skills, on top of their consciousness and openness to every day learning experiences with our wonderful teachers and staff here at school. All these are made possible by you - our parents and guardians' sacrifices on a regular basis. With that said, we send our school parents our sincerest congratulations and gratitude as well.

Please keep those beautiful awards.

Thursday, June 15 will be envelope pick up day. Envelopes will contain the following:

8th Grade - Yearbook, 8th Grade Graduation photo, and a video

TK - 7th Grade - For those who are absent today, June 8th, you will receive your Yearbook, Report Card, and Standardized Test results

Please feel free to email your child's Homeroom Teacher, Mrs. Maureen Garcia at MGarcia@hfgsglendale.org and Miss Annabelle Samija at ASamija@hfgsglendale.org for any missed certificate or misspelling on the certificate for us to correct the error early part of next week and before the day of pick up, June 15th. Thank you.

Have an amazing, safe summer and God bless.
Dr. Suelto
