Every student counts and every moment matters at Holy Family Catholic Church and School. Be a part of a beautiful phase of life for all students at Holy Family Grade School.

HFGS emphasizes its identity through values based on faith-based, Catholic education, quality academics, and learning expectations which each student takes pride and is grateful to God by being:

• A faithful Catholic.

Share this flyer with someone you know who has a middle school age or younger child looking for a great education!

• Academically prepared.

• An effective and confident communicator.

• A globally responsible citizen.

Our middle school grades will enhance this fall as we expand our curriculum and program offerings through the use of new facilities. The former high school building will now be the BVM (Blessed Virgin Mary) Faith Formation Center.

Middle school students will develop skills this 2023-2024 school year with a first rate - topnotch Science Lab, a spacious Dance Room, professional Exercise Room, Pottery & Ceramics Studio (with a kiln), new Basketball Court, and a green grassy field for recess and sports.

NEW FACILITIES AVAILABLE TO ALL STUDENTS!
