

# **Important Update:**

## **Threats Made to Some of Our Catholic Schools**

Dear **HFGS Families, Faculty, Staff, and Friends,**

I trust this letter finds you and your family well.

I am writing to address concerns that may have arisen due to recent reports about schools in other regions closing because of specific threats. Please be assured that we are closely monitoring the situation and have been in direct communication with the Archdiocese of Los Angeles (ADLA) and law enforcement agencies.

As of now, there have been no specific threats made against our school or any other schools in our region. The decision to close certain schools in other areas has been made with the utmost care, based on specific threats and to ensure the safety of students and staff.

The safety and well-being of our students, staff, and families remain our highest priority. We will continue to liaise with ADLA and local law enforcement authorities to stay updated on any developments. Should there be any need to take precautionary measures, we will act swiftly and communicate any updates or instructions to you promptly.

I understand that such news can be distressing, and I want to assure you that we are doing everything within our capacity to ensure the safety of our school community. We appreciate your trust in us and ask for your continued cooperation and understanding.

Please do not hesitate to reach out if you have any further questions or concerns. We are here to support and inform you to the best of our abilities.

Thank you for your continued support and trust in Holy Family Grade School. We are committed to providing a safe and nurturing environment for our students.

Dr. Suelto
