

**Today's Festivities / Schedule for Tomorrow, Thursday, 12/14/23 at
UCCG & School Lunchtime / Friday 12/15/23**

Program in our Winter Dedication Book

Dear **HFGS Families, Faculty, Staff, Students, and Friends,**

This last week is both bustling and thrilling for our children. We're hopeful that all parent permission forms have been submitted to your child's teacher, enabling everyone to participate in the walk to the United Community Church of Glendale starting at 10:00 a.m., crossing Colorado Boulevard, and concluding by 2:00 p.m. These hours will be dedicated to the children's general performance rehearsal before the actual event.

Our faculty planned that the group practices and lunches for tomorrow, Thursday, 12/14/2023 will follow this schedule:

10:00 a.m. - 2:00 p.m. - General Rehearsal at UCCG

10:00 a.m. - 11:35 a.m. - TK/ Kindergarten - 3rd Grade at UCCG

11:15 a.m. - Lunch for 4th - 8th Grade

11:35 a.m. - Lunch for Primary - 3rd Grade

12:00 p.m. - 2:00 p. m. - 4th - 8th Grade at UCCG

Today, we celebrated our November Student-of-the-Month Assembly, acknowledging your child's achievements. The next assembly will be in February 2024, honoring January's awardees. There won't be one for December due to the shorter instructional month.

A big thank you to the parents who joined us for the Primary and Elementary levels' classroom Christmas potluck. The event was followed by a delightful performance by Mrs. Claus and a heartwarming video of The Christmas Story. We hope the children had a fantastic time and are excited for the last two days of school.

Anticipate the upcoming Principal's Important for The Weeks, containing details about our Social Studies Contest results, ALA tasks, January's activities, Open House, Bring a Friend Day, Grand Play Day, and tips to keep the students engaged after the holidays when they might start feeling restless at home.

Extending our gratitude to those who supported our inaugural [Winter Dedications](#). Please refer to the link for your Friday program details.

Thank you and have a wonderful evening.
Dr. Suelto
