

Happy Feast Day of the Family of Jesus, Mary, and Joseph. Happy New Year!

Dear HFGS Families, Faculty, Staff, Students, and Friends,

We hope this beautiful Saturday has been a weekend filled with blessings for you. Today, as we celebrate the Feast of the Holy Family, we extend our wishes for everyone to experience the love and patience exemplified by the Blessed Mother and St. Joseph in nurturing and teaching Jesus, as well as all God's children in this world.

In a spiritual sense, St. Joseph and Mary's guidance in shaping Jesus into the human person he became can also provide support for us in our own needs. Let us seek refuge in the familial love and bond of Jesus (human and divine), Mary, and Joseph – the Holy Family.

Wishing you a joyful Feast Day and delightful celebrations as we welcome the new year. As we conclude 2023, we express gratitude to God for the blessings of the past year, our hopes for the future, and may peace prevail in our homes and across the globe.

Sincerely,
Dr. Suelto
