

Important for Today and this Weekend of March 1st

Tomorrow, Friday, 3/1/24 is HFGS PTO's turn as a ministry to host the Baked Potato Bar with Soup and Fruit

After participating in the Friday 6:00 p.m. English and 7:00 p.m. Spanish Stations of the Cross at Church, we warmly invite you and your family to join us in the GS Auditorium for a delightful meatless dinner. While you dine, our Concert Chorus will enchant us with their beautiful renditions of worship and contemporary music, enhancing the evening's atmosphere. Your contribution of \$10 per meal will directly support The Good Cause of St. Vincent de Paul Society. We eagerly anticipate the opportunity to share this meaningful experience with you and your loved ones.

2nd Graders and Religious Education Classes' Sacrament of Reconciliation on Saturday, 3/2/24

This upcoming Saturday holds special significance for our 2nd graders. Under the guidance of our Second Grade First Holy Communion Coordinator, Mrs. Alexa Soliman, and with the support of the Clergy led by Fr. Anthony Garcias and the school administration, our 2nd grade students, accompanied by their supportive parents and guardians, will be participating in their first confessions. Please use the Lomita Church door for your entrance and our 2nd grade families will be seated by the pews fronting the Statue of the Blessed Mother in the old wing. Kindly revisit Fr. Anthony's and Mrs. Soliman's communication for specific details.

We kindly ask for your prayers for our 2nd grade class as they continue to celebrate these beautiful sacraments, fulfilling an essential aspect of their journey as faithful Catholics.

Good Luck, Bulldogs.

Wishing our Cheer and HipHop teams the best of luck as they compete once again at Warren High School in Downey this Sunday. A heartfelt thank you in advance to our dedicated Cheer parents and guardians, as well as to our tireless Athletic Director and Cheer Main Coach, Teresa Nelson, and Assistant Coaches Alexa Soliman, Alma Stone, and Jared Singzon for their unwavering dedication. Go Bulldogs!

Tuition Fact Sheet 2024 - 2025

As mentioned in our previous Newsletter, the publication of the new Tuition Fact Sheet is imminent, and we are pleased to announce that it is now available. Please **find the attachment** for your reference.

March Madness 2024 Calendar & Thank You, Sponsors!

We are thrilled to share our March Madness calendar with you, featuring an array of exciting prizes for each of the 31 days in March. We extend our heartfelt gratitude to the generous parents, faculty, and staff members who contributed the major prizes you'll find listed.

To ensure your entry into the raffle drum, please ensure that all family stubs are received by tomorrow, 3/1/24 at 9:00 a.m. Representatives from our Student Council will draw daily winners throughout March, with announcements made promptly thereafter.

Additionally, all families' tickets and names will be kept for a special tradition: the raffling of a free Registration fee during our final PTO General Assembly in April.

A big thank you to Mr. Makhoul, the PTO Board, office staff, and our sponsors for their dedication in making every fundraiser both financially beneficial for the school and exciting for our children and families. Please join us in extending a huge thank you to our generous sponsors for their support of this March Madness event.

On Blocking Driveways

As a follow-up to our previous communication regarding blocking driveways, it's essential to ensure that our school families are mindful of their parking habits during drop-off and pick-up times. We must avoid causing any inconvenience or frustration to our neighbors by blocking their driveways. Let's proactively prevent any potential conflicts and maintain a respectful relationship with our community. If anyone persists in this behavior, it's our responsibility to report it promptly to avoid compromising the safety and well-being of our constituents. Thank you for your cooperation in upholding these standards.

A friendly advice when parking your vehicle

As a friendly reminder, we kindly ask that when you park your car inside or outside of the parking lot, valuables are not exposed in your parked vehicles. Unfortunately, an incident of theft can occur, and we want to ensure the safety and security of everyone in our community. Please take precautions to secure your belongings and avoid leaving them visible to potential opportunists. Your cooperation in this matter is greatly appreciated as we strive to maintain a safe environment for all.

Thank you for your attention to all these important matters.
Dr. Suelto
