

HAPPY EASTER

As we celebrate the resurrection of our Lord, I want to extend my warmest Easter greetings to you and your loved ones. Your trust in our school to nurture and educate your TK/Kindergarten through 8th-grade children is deeply appreciated and humbling.

May this Easter season bring you and your family the joy of renewal, the blessing of hope, and the promise of new beginnings. As we continue our journey together in faith and education, may the spirit of Easter guide us in fostering a nurturing environment where every child can flourish academically, spiritually, and personally.

Wishing all our school families, faculty, and staff a blessed Easter filled with love, peace, and happiness.

With gratitude and prayers,

Dr. Suelto
